CHANGES TO CHARGES UNDER COLLABORATIVE ARRANGEMENTS

The BMA have advised that the rates for work under the collaborative arrangements will no longer be set by the Doctors' and Dentists' Review Body (DDRB). It has been recommended that **from 1.4.07** GPs set their own fees for this work and the Government has not opposed this. The following fees have been suggested, based on those recommended by MedEconomics in February 2007:
