

## **Collingham Volunteer Transport Scheme**

### **IMPORTANT INFORMATION**

A Transport Co-ordinator will be available  
Monday, Wednesday & Friday ~ 8.30 am to 6.00 pm

If their answer machine is on, please leave a message

**The telephone number is 01636 893001**

- Where possible, please allow 24 hrs notice of a transport request.
- Passengers must give adequate notice of a cancellation of transport, otherwise charges may be payable.
- Driver availability may mean that longer trips (in time & mileage) will require two journeys and separate drivers, therefore, two charges. The co-ordinator will confirm this prior to the journey date.
- If you have any suggestions/comments on how we may improve our service to you, please do not hesitate to pass these onto the Co-ordinator.
- The Transport Service is only available to patients registered with the Collingham Medical Centre.
