Healthier You: NHS Diabetes Prevention Programme

Collingham Medical Centre

June 2017

helping people to say #notodiabetes

The Healthier You: NHS Diabetes Prevention Programme in the East Midlands is taking place in Leicester City, Leicestershire and Rutland, and Nottingham City, Nottinghamshire and Northamptonshire.

The programme, which is a joint initiative between NHS England, Public Health England and Diabetes UK, is being rolled out in the region by Ingeus in partnership with the Leicester Diabetes Centre under the coordination of the East Midlands Clinical Networks & Senate working with local Clinical Commissioning Groups.
