Date:

Please note:

* Please return completed travel vaccination form to the nurse AT LEAST 6 weeks before the date of travel. We will write to you with recommended vaccinations.

* If you decide to have the recommended vaccinations the full fees will be required at the time of booking.

Your receipt will need to be produced at future vaccination appointments in order for the injection to be administered (fees attached).

* Please bring any record of previous vaccinations to your appointment so we can update our records.
